La Gerla's 2014 Brunello di Montalcino opens to a delicately perfumed bouquet with layers of soft berry fruit and blue flower. You get wild rose, lavender and dried violet. Wait a second or two longer, and you might recognize spicy notes of smoked clove and crushed black pepper. This is a lean to mid-weight effort with fragile aromas and a long, silky mouthfeel. Production is 20,000 bottles strong.

#### About Maturity and Drink Dates

About Maturity and Drink Dates: Most reviews in The Wine Advocate include a period during which the wine should ideally be consumed. We express it as a range of years (Drink Dates) and we use that range to calculate a 'Maturity' for the wine as of the current date. Maturity values are: Young - the early drink date is in the future; Early - first third of the drink date range; Mature - middle third of the range; Late - last third of the range; Old - the late drink date is in the past.
